**Text:** Microeconomics and Behavior 9<sup>th</sup> edition Robert Frank

Isbn#9780078021695

**Course Objectives:** Students who successfully complete this course will:

- Gain a solid understanding of microeconomic theory
- Be able to apply the theory to real world situations
- Be prepared for microeconomics at the graduate level
- Produce cogent written analysis

**Grading:** Grades will be determined in the following manner:

Three Exams	60%
Final Exam	25%
Problem Sets	15%

Problem sets will be assigned on a weekly basis. With rare exceptions, problem sets will not be accepted late.

Note: Class attendance is expected. Students are responsible for anything that occurs in class whether they are in attendance or not. **Make up exams will not be given unless there is a situation beyond the student's control that can be authenticated in writing.**

**Intermediate Microeconomics
